ABOUT THE BIG 26

The Big 26 Baseball Classic® is an annual summer event featuring high school players entering their junior and senior years. Pennsylvania is the host team, with Maryland as its playing partner since the series originated in 2012. Rosters are built through a tryout process each spring. College coaches and pro scouts attend for player evaluations and recruiting, and the event is open to the public.

The event also features a Buddy Program, where individuals ages 5 - 21 with physical and developmental challenges are connected with Big 26 players for various activities throughout the event. Relationships forged through the Buddy Program are often carried beyond the Big 26.

JERRY ELLSESSER, EVENT ASSISTANT

When the Big 26 first launched, Jerry was quick to offer his help. He is heavily involved with coordination of the Buddy Game and a variety of game day operations throughout the event.

Dear Big 26 Baseball Players, Coaches, Families, and Buddies.

On behalf of the Dauphin County Commissioners, welcome to the Hershey-Harrisburg region for the Big 26 Baseball Classic and Buddy Game experience.

We are honored to host all of you in our community and hope you enjoy your time exploring everything our region has to offer — from our welcoming neighborhoods and attractions to the outstanding sports facilities and hospitality that make this area special.

Most importantly, we celebrate the spirit of teamwork, friendship, and inclusion that this event represents. The Buddy Game is a powerful reminder that sports are about far more than competition. They create opportunities to build lasting friendships, support one another, and learn the true meaning of being part of a team.

To all of the athletes participating this week, thank you for inspiring our community through your sportsmanship, enthusiasm, and determination. We hope the memories you make here, both on and off the field, stay with you for years to come.

Best wishes for a wonderful week of baseball, friendship, and unforgettable experiences in Dauphin County and the Hershey-Harrisburg region.

Sincerely,

Justin Douglas
